

Cynthia Mizuki:

I often thought: "What's God's plan for me"? Am I living the life I should be living as God intended?

While on my very first Mission Trip Work Camp with St. John Vianney that question came up again while walking and talking with the young women from our church. One by one we shared what we thought God's plan was for each of us and when it came to me, I said, I'm not sure what God's plan is for me! A very wise 18-year-old young adult from our church said, "Maybe you are exactly where you are supposed to be Cynthia" Hmmm, possibly but how do I know, how could I possibly know? Other people have said that maybe I am exactly where I should be before that day, and many have said it since ~ but really????

Through the Called and gifted discernment process I found out what my gifts are and yes, I was "kind of" using them. But it sure would have been nice to know sooner and fulfill my purpose intentionally in Jesus's Name. Now I can and you can too!
