Class Schedule:

- 10:00 – 10:30 --- Gathering, Fellowship, and Prayer Request
- 10:30 – 12:00 --- Study and Session Questions

Name Badges:

We will supply a name tag for those new to the group. This will enable us to get to know each other better.

Open Topic Study Day:

We will take the discussion wherever the Holy Spirit directs us. Please note, that all discussions must pertain to the Holy Word of God (Bible). We will not discuss politics. Also, "What's said at Bible Study, stays at Bible Study." Please, let's respect one another's confidentiality.

Snow/Ice Days and Holidays:

Our study will follow the Utica Community School District regarding inclement weather. If Utica Schools cancels for the day, our Bible Study class will also be canceled. Please check online or listen to your local radio or TV stations if the weather appears threatening. If the group agrees, we can extend our study an extra week to compensate for a lost day. An email will be sent out as a reminder, with further instructions, as well.

Information Sharing:

While there are often very worthy programs or even information occurring outside our Bible Study group, we ask that all information be cleared through Adriana, and then distributed throughout the group. This is to make sure that we are staying consistent with our Faith.

Core Coffee Day:

Usually before a break, we will accompany our study with breakfast tasties and a nice cup of coffee. A Core Coffee Sign-up sheet will be passed the week prior. Attendees are welcome to volunteer any treats.

Thank you for your participation!

We pray this study will give you a deeper love for our faith and especially for Jesus.

Enjoy!
